

Town of Vienna, Virginia Police Department Media Information Release

Non- Emergency Phone Line Issues at Town of Vienna Police Dispatch

The non-emergency telephone lines at the Town of Vienna Police Department are not functioning correctly as a result of the storms yesterday.

The 9-1-1 emergency system is operating correctly. Citizens needing emergency assistance should still dial 9-1-1 to reach the dispatcher.

Citizens needing to contact the Department for non-emergency assistance should call 703-255-6378 or 703-255-6379. When using these lines citizens may get a busy tone if the line is in use. In this case they should try dialing again.

Individuals that call 703-938-4900 will get a busy tone. Individuals calling 703-255-6366 will hear a ringing tone but it will not go through to the dispatcher.

Verizon is aware of the issue and is working to correct the problem.

Non- emergency inquiries that can be handled via email can be sent to police@viennava.gov .
